

Curran Replaces Osborn As Vote Is Held Invalid

Attorney Decides Write-In Candidate Wins Election

As a result of a technicality, and acting upon the advice of their attorney, Paul H. Chamberlain of Auburn, directors of the Truckee Sanitary District meeting Monday declared the recent election of Clarence Osborn, an incumbent, as a director illegal and certified the election of William Curran, a write-in, in his place.

As a result of the canvass of votes and resolution it was announced that Robert W. Seibold and Curran are the new directors. In his opinion, Chamberlain wrote the board clerk, Joe Mattos, in part as follows:

"Pursuant to your phone call, bringing to my attention the defects which have arisen with reference to the Sanitary District election, and the fact that Mr. Osborn, the incumbent, failed to file his nominating papers, with Mr. Curran appearing on the ballot as a write-in candidate, I contacted several people in reference to this problem, as well as researching the law, in order to determine how best to proceed.

"Needless to say this problem has not come up before as far as anyone can remember, and hence everyone was rather vague on the question."

Reject Votes

Chamberlain went on to name his sources of information and concluded that the proper procedure, and incidentally the one followed by the board, is this:

"That the board of directors of the Sanitary District reject 28 votes cast for Mr. Osborn on the grounds that he failed to file his nomination papers and failed to declare himself, or have his name written in on the ballot in order to qualify as a write-in candidate."

"I believe that the declaration made by the Board of Directors, that the write-in candidate is elected, is sufficient to qualify Mr. Curran as an officer of the district, and hence validate any action which he may take in the future as such officer."

Another Defect

Chamberlain went on to explain that eight days are allowed following a local election in which contests can be filed. Osborn has assured members of the board that he had no intention of protesting the action.

The attorney also pointed out in his opinion that: "The biggest defect I can see in the election is the fact that the polling times were changed from opening the polls at 7 A.M. to opening the polls at 1 P.M. This is a serious defect and might cause the judge to call the whole election invalid should he be asked to decide the point."

Members of the official board, as the matter currently stands, are David Rose, Nate McCrary, Mattos, Seibold and Curran.

NEVADA STUDENT ENDS HIS LIFE IN TAHOE PLUNGE

GLENBROOK—A University of Nevada student told his companion early yesterday, "I'm going for a swim. If I'm not back in an hour, go on home because I won't be back."

The body of Frederick A. Boyce, 21, was found in 40 feet of water off the Glenbrook, Lake Tahoe, pier 11 hours later by members of the Coast Guard, headed by Cmdr. Fred Main of Tahoe City.

The search was started about 2 a.m. after Shirley McNary of Reno, Boyce's date, had reported the youth's remarks to Constable W. D. Stambaugh.

Mrs. McNary did not take the youth's remarks seriously until he failed to come out of the water, then immediately ran for aid.

Mrs. D. E. Naze of Pico, Calif., is the mother of Boyce.

The constable said a coroner's jury at Cave Rock returned a verdict of "suicide by accidental drowning." This apparent contradiction was worded by the jury to avoid implication of foul play.

YMCA Executive Is Lions Club Speaker

Rudy Abrecht, executive secretary for the Mountain District, YMCA, spoke before the meeting of the Lions Club last night on the topic of Youth, urging the Lions to devote some time to the development of the boys of the area.

Robert Saunders was inducted as a new member and guests included J. H. Almstead of Petaluma and Bert Bond of Reno. Charles Heller was the program chairman and Angelo Besio presided.

Three Injured In Gun Accidents As Hunt Starts Here

Three hunters were treated at the Tahoe Forest Hospital for gun accident injuries during the two opening days of the deer hunting season in this district.

O. J. Rablin, Truckee Southern Pacific conductor, was treated for a badly lacerated right hand after a mishap while hunting near here. Rablin's hand was ripped when the rifle he was holding discharged, causing the mechanism to kick back, lacerating the flesh between the thumb and forefinger.

The accident occurred Sunday morning shortly before 6 o'clock. A stray shot, apparently coming from a long distance struck Delbert Lathrop, 36, Fair Oaks, in the left shoulder, inflicting a painful though not serious wound. He was in a camp in the Dog Valley area about noon Sunday when the mishap occurred. Lathrop was taken to the hospital by friends and later returned home.

Alfred Mullenix, 57, Sacramento, was treated for burns and lacerations on his hands and chest after a rifle he was firing exploded in his hands north of Hobart Mills Saturday night at 9 o'clock.

Mullenix told Constable N. F. Dolley he heard shots and believed some one was lost and signalling for help. He fired his own rifle into the air. The second shot, he said, caused the gun to virtually break apart. He was taken to the hospital for treatment and went home.

HIGH SCHOOL TO HAVE FIRST PTA MEET OCTOBER 9

On Tuesday evening, a group of women met with Principal George Bergen at the high school and acted as a nominating committee for this year's PTA for the high school. It was their recommendation that the meeting of October 9 should start with a pot luck supper to begin at 7 p.m. in the cafeteria. Any persons in the community desiring to bring a hot dish or salad can contact Mrs. B. K. Miller in Floriston by calling Truckee 21Y3 or by calling Mrs. J. M. Rablin at Truckee 142.

The faculty of the high school will be introduced and a reception for them will be held at this first meeting. The program will include election of officers and music by the high school chorus.

The following attended the meeting and served as a nominating committee: Mesdames B. K. Miller, H. M. Holmes, A. Sorensen, J. M. Rablin, L. C. Nauss, E. V. O'Rourke, A. Sanford, J. Little and A. Abbott.

WALTER CARLSON, COUNTY OFFICIAL, EXPIRES IN CAR

GRASS VALLEY—Walter A. Carlson, 56, Nevada County school superintendent since 1937, died in his automobile seven miles west of here on Highway 20 Monday night, apparently the victim of a heart attack.

He was returning to his home in Nevada City after visiting a brother, Ernest, in Chico. A couple in a car following Carlson's told the highway patrol the Carlson car slid off the highway into a ditch. They found him slumped over the steering wheel and summoned aid.

Carlson was a native of Arcata and a veteran of World War I. He had been connected with Nevada County schools since 1925, was affiliated with the Masons, Odd Fellows, Elks and Rotary.

He is survived by his wife, a young son, two brothers and a sister.

John Firpo Feted At Birthday Party

John, son of Mr. and Mrs. I. Firpo, celebrated his birthday on September 20 with a group of school friends. Games were enjoyed, gifts given the young honoree and a candle lighted cake was served at refreshment time.

Sharing the afternoon with John were Nancy Kaspian, Tom Towler, Anita Diaz, Timmy Kelly, Shirley Goodpasture, Michele Newsham, Christie Landers, Allen Young, Dorothea Frey, Gavin Roberson.

Hunting Season Opens With Fair Results Locally

Thousands Here For Hunt As Few Rewarded With Deer

Despite predictions of the experts, the deer hunting season opened here with a record number of hunters in the field and a "fair" kill reported.

Ideal weather and camping conditions prevailed and the woods were filled with hunters and hundreds of camps two days before the season opened Saturday.

Ten wardens and three captains from the department of fish and game held violations to a minimum but Judge F. W. Wilson had a busy day Monday as the first of the citation carriers appeared in the local justice court.

Most of the deer killed were small and the largest reported by Captain William LaMarr was a four-pointer shot Sunday morning near Boca Springs by Tomas O. Robles of Lodi.

Locally, the first deer validated was brought in by Frank Giovannoni Jr. who was closely followed by Mrs. Anne Kehm and R. B. Tonini of Tahoe City. Giovannoni shot his deer in a 15-minute hunt just north of Truckee.

Captain LaMarr reported validating seven deer in an area on opening day where he validated 35 in the same period last year. Slim Ellert of the Sport Shop validated 15 as compared to 50 for the opening day of 1951. Walter Loynd at Rasco validated 20 to five o'clock Saturday, indicating the scarcity of the herd.

Other captains in the field were Howard Shebley and Ken Hooker and the wardens included beside Tom Borneman of Truckee, Ross Waggoner, Forrest McDermott, Charles Fullerton, Bob Bradford, Gilbert Berg, Al Stuart, Ed Hughes, Gene Durney and Hal Seales.

Marion McCallen of Roseville, a former Truckee SP man, was among the first to return with a buck. Dave Rose, who stored deer in his big refrigerator on the opening days, counted 70 bucks by three o'clock Saturday afternoon—three of them illegal and being held for evidence.

The season will continue until October 19.

LAW SUGGESTED TO CURB HAZARD

In an effort to eliminate and prevent a growing fire hazard along the rear of business buildings on the main street, Fire Chief N. F. Dolley said he was conferring with members of the Truckee Fire District board to have an ordinance adopted to end the threat.

Dolley pointed out that under terms of the ordinance he suggests, it would be illegal to store or permit inflammable materials to be closer than 15 feet to oil, gasoline or gas tanks or buildings.

Members of the fire district board have indicated they will confer with District Attorney Vernon Stoll relative to the proposed law. In the meantime, it is proposed to have the present accumulation cleaned up and hauled away.

Banquet is Planned For Masonic Meet

Truckee Lodge No. 200, F. and A. Masons, will meet tonight at the Masonic Hall for the purpose of conferring the third degree. The women of the Order of Eastern Star will serve dinner in the banquet rooms at 6:30 and all Masons in the area are cordially invited. The meeting will start at 8 o'clock, Secretary Nate Sexton announced.

John Colliers Have Baby Daughter Friday

Mr. and Mrs. John Collier became the parents of a daughter Friday afternoon, September 19, at the Tahoe Forest Hospital. The buxom girl weighed 9 pounds 11 ounces and has been named Kathleen Veronica.

Are you a SUNscriber?

Sun Beams

by Walter M. Barrett

The apparent confusion which often results in the handling and disposal of local district matters should add emphasis to a long-standing contention that Truckee is more than ready for incorporation. We cannot blame the numerous and varied boards for the overlapping of authority, the multiple costs and confusion, since they are all governed, apparently, by a variety of statutes, rules and regulations, interpreted in many ways by a number of authorities. They work hard and earnestly to provide better conditions but it is difficult even for boards themselves to determine to what extent their powers go and the development and promotion of a project for community-wide development must generally be referred to county or state sources for action. We believe that a thorough study should be made at once of the benefits and costs of incorporation with a view to provide Truckee and the immediate surrounding area with the chance we deserve to enjoy the privileges of being a self-governed city. Centralized local government with all functions funneled through a single board, which board would be accountable to all the people, seems to us a sensible, sound procedure.

SECOND BEAR IS KILLED IN AREA BY BAY HUNTER

A second brown bear, believed to be the mate of the one injured by a produce truck and later destroyed by Carroll Maynard of the highway patrol more than a week ago near Big Chief Camp, was shot and killed the opening day of the bear hunting season last Saturday by Ted Kindt of San Francisco, a guest at Edgewater Cottages on the Truckee River.

Kindt was hunting with Bert Dunn of San Lorenzo when he spotted the 300-pound female bear in the vicinity of where the male was killed a few days before.

Instead of an arrow, which was used by Maynard, Kindt dispatched his bear with a high powered rifle bullet.

PICTURES, TALKS AT LOCAL CHURCH

Each evening between September 28 and October 5, the Assembly of God Church will present lectures and pictures on the life of Christ at the edifice, three doors east of the intersection of Church Street and Highway 40, according to Rev. O. J. Bell, pastor. The presentation will be by Evangelist Ben Givens, former mayor of Live Oak, Calif., and his wife. The public is welcome to attend and there is no admission charge.

Elfs Are Parents of Son at Hospital Here

Douglas Roy Elf is the name of the seven-pound ten-ounce son born at the Tahoe Forest Hospital Sunday morning at 1:15 o'clock. His parents are Mr. and Mrs. Roy Elf and his father is employed at the Bank of America here.

MRS. BUELL TELLS OF BLOOD BANK

Mrs. T. T. Buell spoke last night before the Truckee 20-30 Club on the Mobile Blood Bank program and asked the members to assume the responsibility for signing prospective donors.

Vice President Bill Frey presided in the absence of President Harvey Hooker. Al Koolhof was presented with a secretary's pin from the club in recognition for doing a good job in that position last year.

Guests at the Harry Barnes' home over the weekend were Mr. and Mrs. Wm. Wren and Mr. and Mrs. Lindy Bird of Yuba City.

Man Jailed On Felony Charge After Collision

Patrolmen's Wives Injured As Cars Crash On Summit

Mario Antonio Cabbana, track walker for the Southern Pacific Company at Blue Canyon, was being held in jail here under \$5000 bail on a felony count, following an automobile collision on Donner Summit Sunday evening in which wives of two California Highway Patrolmen were injured.

Patrolman Roy Stallard, who investigated the accident, cited Cabbana for drunk driving with injuries, speeding, being on the wrong side of the road, not having his vehicle under control and for violating the county's sobriety ordinance. Stallard was a witness to the accident.

The patrolman said the Cabbana car came into the "cut" at a high rate of speed, hit a guard rail and careened across the highway, smashing into a car driven by Patrolman Albert Marty Jr. of Sacramento, who had his passengers his wife and Patrol Sergeant and Mrs. James Brewer, also of Sacramento. The patrolmen were off duty at the time.

Both Mrs. Brewer and Mrs. Marty were taken to the Tahoe Forest Hospital by the Truckee ambulance as was Linda Quinn, 28, Dutch Flat, a passenger in the car driven by Cabbana. None was seriously hurt, the patrol reported. Cabbana is being held pending a preliminary hearing slated for this week.

Two Injured

Elizabeth Sales of Oakland and Bonifacio Silverio, 42, San Francisco, were taken to the local hospital by the Truckee ambulance Sunday morning when a car driven by the latter went out of control and overturned a quarter of a mile east of Truckee. Silverio was cited for speeding, being on the wrong side of the highway and not having his vehicle under control. Injuries were not serious.

Auburn Man Hurt

Joseph Hudgen, 32, Auburn, was hurt when a car driven by Carl A. Damron, 32, of Citrus Heights overturned five miles east of Truckee Sunday morning. Patrolman William Gautsche cited the driver.

"Moke" Kielhofer Is New Firm Manager

Karl (Moke) Kielhofer, former Truckee resident and son of Mrs. Dan Smith of this town, has been named general manager of both the Sacramento and Redding offices of the Argonaut Liquor Company. He had been sales manager for the concern for the past six years.

Argonaut is one of the oldest and largest wholesalers of liquors in the state and was founded by the late Babe Bottaro, Dominic and Charles Lazzarone and Anthony Violetti. The latter is president of the concern and announced the appointment of Kielhofer.

Kielhofer owns a summer home at Donner Lake and after visits here with his family. His son, Karl, and family reside in Truckee.

DAYLIGHT TIME TO END SUNDAY

Starting Sunday morning at 2 o'clock, Daylight Saving time will be discarded for the balance of the fall and winter and standard time will be in effect. This means that time pieces will be set back one hour.

Young Ronnie Walker Is Feted with Party

Ronnie Walker, youngest son of Mr. and Mrs. James Walker, observed his third birthday on Saturday, September 20, with a party at his home here. Refreshments featuring a brown and yellow birthday cake and games were enjoyed by the following:

Cathy Street, Gerry and Monte Neugebauer, Judy Wakefield, Randy and Linda Russell, Phyllis and Patricia Barrett and the honoree's sister, Karen.

Season's Largest Forest Fire Held To Only 2 Acres

The largest forest fire of the 1952 season—which burned over more territory than all others put together—was reported by the U. S. Forest Service yesterday.

Two acres of brush land between Alder and Prosser Creeks three miles south of Hobart Mills were burned over after a careless smoker tossed a burning cigarette away.

The fire was brought under control by the Truckee suppression crew.

WASHOE GROUP TO TALK RIVER FLOW AT TRUCKEE MEET

Members of the Washoe County Sportsmen's Association will meet tonight at Capitol Hall at 8 p.m. with the Truckee Outdoor Sportsmen, according to Johnny Ciardella, president of the TOS.

Focal point of the discussions will be the maintenance of stream flow in the Truckee River, which at times causes grave concern to all sportsmen's groups in the area, Ciardella indicated. Anyone interested is invited to attend and participate.

Reno attorneys will accompany the Nevada group here to discuss legal aspects of the question and State Senator Harold Johnson of Roseville has been invited to attend. Discussion will center on the problem of ways and means to insure a stream flow adequate to sustain fish life in the Truckee River.

ARCHERY CLUB IS PROPOSED HERE; MEETING CALLED

Carroll Maynard, Truckee California Highway Patrolman and an ardent archer, announces that a meeting will be held at his home near Big Chief Camp on the Truckee River Tuesday, October 14, at 7 p.m. for the purpose of organizing a local archery club.

Everyone, regardless of age, who is interested in the sport is invited to attend the meeting. It is proposed to name officers and arrange for winter practice shoots and perhaps draw up by-laws and regulations.

Maynard said the club, once organized, will be affiliated with the northern California archery association and that competitive shoots will be arranged. Experience is not necessary, Maynard said, since instructions are given in the art.

Those desiring further information may contact Maynard.

ACCUSED OF THEFT, PLEAD NOT GUILTY

Albin Anderson, 40, and Earl Abel, 35, of Truckee pleaded not guilty in Nevada County superior court this week to a charge of burglarizing a Standard Oil Company service station at Truckee early in the morning of August 24.

Through Leo Todd, attorney appointed by Judge James Snell to defend them, they asked for a jury trial. This was set for October 27.

Local Minister Weds San Mateo Couple

Rev. A. A. Carmichael of the Truckee Community Methodist Church last Friday united in marriage Mary Elizabeth Lambert and Francis Michael Wilhelm, San Mateo. Their only witnesses were Mrs. Carmichael and Jane Lambert, sister of the bride. The couple left here to establish their home in Baltimore, Md.

Driver's License Lost By Truckee Man

SACRAMENTO—(C. N. S.)—The state department of motor vehicles has announced 90-day suspension of the driver's license held by William G. Moorehead, Truckee, following his conviction on a drunk driving charge.

September Date—

V. C. Shattuck celebrated his birthday on September 19 with his family.

New Bank Will Be Opened For Public Monday

Reception is Planned Here For Inspection of Building

Doors of the new and bigger home of Bank of America's Truckee branch will swing open to the public for the first time Monday morning, September 29, it was announced today by Robert E. Saunders Jr., branch manager.

A special reception will be held Monday night from 7:30 to 9 p.m. during which time the bank will be open to inspection by the public, and Saunders, who is newly assigned to Truckee, will be host for the occasion.

Located on Commercial Row at Bridge Street, the building which houses the new banking quarters was purchased last June by Bank of America from Mr. and Mrs. A. B. Polyanich for a sum "in excess of \$65,000." It has been renovated completely and converted into the present modern-appearing premises at a cost of approximately \$75,000, it was disclosed.

Bank of America's new home is more than double the size of the former quarters. Utilized for banking purposes is a floor area totaling 4,360 square feet—686 square feet of which is for lobby area alone—compared to the 1,387 square feet total of the previous premises.

Ten teller windows, an increase of five, will provide speedier services for the bank's customers, while desks for two additional loan officers have been incorporated into the new bank. Additional safe deposit boxes are made available by the installation of a large new vault.

The newly-cleaned brick exterior of the building adds much to the appearance of the neighborhood, it was pointed out, while the interior of the structure is decorated in modern style and includes such special features as asphalt tile flooring and fluorescent lighting.

"Our new quarters will enable this branch to provide the residents of Truckee with the high quality, metropolitan-type service for which Bank of America is well known throughout California," Saunders stated.

Officers and staff members of Truckee branch include Royal G. Elf, assistant cashier and chief clerk; Miss Menia Moretta, assistant cashier; John W. Finnegan, Betty Parkhurst, Albert Koolhof Jr., James R. Morhain, Dorene Quam, Phyllis Knoeffler, Diane Mitchell and Manager Saunders.

LOST HUNTER IS FOUND IN REGION

Just as a search party was being organized to scour the rugged area in the Webber Lake district for them, Walter Mueller, 52, and his daughter, Kay, 12, of Rocklin returned to their camp after being gone for 36 hours.

They left other members of their party Sunday morning at six o'clock and Monday morning Constable N. F. Dolley and the forest service were asked to aid in the search. The Sheriff's Sid Posse and other individuals under the leadership of Deputy Sheriff Roy Waters, was preparing to leave when Mueller and his daughter arrived at camp in good health.

Other reports of hunters being lost in the area during the opening week of the season were investigated but could not be verified.

Local People Attend Pythian Grand Session

William Englehart represented Virginia City Lodge No. 1 of the Knights of Pythias at the Nevada Grand Lodge in Reno last Thursday, Friday and Saturday. Englehart holds a dual membership in the Truckee and Virginia City lodges. Mrs. Pearl Heller, deputy grand chief, represented the Pythian Sisters at the sessions.

NORDEN MAN IS DEAD IN NEVADA

Funeral services were held in Reno Monday for Harold C. Olsen, 50, a carpenter for the Southern Pacific Company at Norden, who died in a Reno hospital Friday following a short illness.

Olsen was hospitalized after an electric saw he was using slipped and cut him on the lower right leg, inflicting a deep wound.

He is survived by his wife, Louise, of Soda Springs and a sister, Mrs. Gladys Crawford of Rapid City, South Dakota. Olsen was a native of Cove, Minnesota, but had resided in this district for a number of years.

Following the rites in Reno, burial was in the Truckee cemetery.

NORTH TAHOE

by THELMA BURROUGHS

SOS! There is a little parakeet, belonging to Jacquie Abbott, lost in the woods at Kings Beach. The little bird escaped on Wednesday morning. This is its second sojourn in the woods recently but being a well cared for feathered creature, foraging in the wilds will not be an easy life as compared to life in the Byron Abbott home. Will anyone finding the bird notify any of the Abbotts?

At the Sacramento - Nevada Conference of Methodist Churches, held in Kings Beach last week, September 17 and 18, forty-two ministers, many of them accompanied by their wives, were present. Conference was held at the

Wee Kirk o' the Pines open air chapel. First session opened on Wednesday afternoon after which the Woman's Society of Christian Service served six o'clock dinner for all guests at the Carpenters' Hall in Kings Beach. Movie slides of a youth program were shown after dinner. There were also after dinner speakers. The second session opened at nine o'clock Thursday morning. At noon the meeting recessed for luncheon served by the ladies at Carpenters' Hall. Other speakers were heard and the meeting adjourned at 3 p.m.

Guest speaker at the Wee Kirk o' the Pines open air chapel last Sunday was the Reverend Gotho, a Japanese minister from Lodi, whose sermon was received with great interest. The Rev. and Mrs. Gotho were dinner guests at the home of Mr. and Mrs. Jake Glunt of Kings Beach. Mrs. Anna Blau

assisted with the serving. The Woman's Society of Christian Service weekly meeting was held at the home of Mrs. Glunt on September 23, with Mrs. Stevens as cohostess.

Russell Harried left on September 16 for Greeley, Colorado, where he is to attend college. Mr. and Mrs. Vern Mosier are in Sacramento on business this week.

Mr. and Mrs. Larry Sheridan of Kings Beach welcomed the birth of a daughter, Patricia Ann, last Thursday, September 18, at the Tahoe Forest Hospital in Truckee. The little lass, who was greeted on arrival by Dr. Jose Nessim, weighed 7 pounds 2 ounces at birth and is reported doing nicely.

Miss Marian R. Cover of Modesto, Bob Reynolds of San Francisco and Bob Young of Stanford, students and members of the Inter-Varsity Christian Fellowship, spent two days last week at the lake with an eye towards acquainting more and more young Christians with the beautiful Lake Tahoe region. They attended services at Wee Kirk o' the Pines last Sunday and returned to their respective homes with pleasant, happy thoughts of future trips to Tahoe—"God's own Country!" The annual window shuttering

State Cuts Speed Top on South Tahoe Road

SACRAMENTO—Reduction of the maximum speed limit from 55 to 35 miles an hour on U.S. 50 along the south shore of Lake Tahoe, between Tahoe Valley and Al Tahoe, was announced yesterday by Frank B. Durkee, state director of public works.

The new speed restriction will be effective with the posting of signs, probably within a week. It was ordered following a traffic and engineering study by the division of highways of the department of public works.

A number of individuals and organizations in the highly developed resort and recreational area had requested the restriction.

Carmichael Church Folks Hold Tahoe Retreat

annual retreat. Considered a high point of the church year, the event provides for fellowship, devotions and meetings of leaders of various organizations at which plans for the coming year are made and discussed.

HUNTERS FIND DEER FEW AND FAR IN NEARBY WILD AREA

TAHOE CITY—First word of conditions in the Tahoe, back country regarding the supply of bucks arrived in town on Monday with the return of a party of hunters from Crows' Landing, who hunted in the Steamboat Springs area.

The men reported they saw a total of 14 bucks altogether but most of them were too far away to get a good shot. Bud Pink brought back a 500 pound bear and a cub was shot by Tony Nunis while Ralph Rose brought in a 150 pound four point buck and Dale Ray took a 130 pound three pointer.

Constable Harry Johanson of Tahoe City checked in seven deer over Saturday and Sunday, two being three pointers from Ward Creek area and two three pointers from Blackwood Creek region. The others were smaller.

Judge C. W. Vernon of Tahoe City validated two bucks over the weekend.

Hal Sharrow of San Anselmo, hunting with a group of friends, brought in a forked horn. Ronnie Sanford of Tahoe brought in on Sunday. The three pointer dressed out at 190 pounds and was shot in the vicinity of Twin Peaks. In the freeze room at Kehoe's were two bucks—one shot by Dr. Crane of the Truckee River and another taken by Bob Wray of Tahoma.

Polio in California No Epidemic

SACRAMENTO —(C. N. S.)—Incidence of polio in California has not reached epidemic proportions this year and may be expected to fall off by October 1, Wilton L. Halverson, state director of public health, reported Monday.

Polio cases in the state from April 1 through September 6 totaled 1201, compared with 1163 cases for the same period last year. The number of cases during the period in the epidemic year of 1948 was 2394, Halverson said.

The director pointed out that outbreaks of polio have reached epidemic proportions in many sections of the country this year.

More Hunters

SACRAMENTO —(C. N. S.)—More deer hunters will comb the wilds of California this year than ever before, according to the state department of fish and game.

Hunting license sales from January through August reached \$238,863, compared with \$179,195 for the same period last year, department officials report.

Weather at Lake Tahoe Is Fair and Warm

TAHOE CITY—The level of Lake Tahoe Monday morning was 6228.32 feet, reports A. E. Frodenberg, official observer. Daily high and low temperatures for the week before were Sep. 15th: 69, 36; 16th: 71, 31; 17th: 72, 37; 18th: 69, 38; 19th: 69, 41; 20th: 68, 44; 21st: 73, 41; 22nd: low 40.

LEAVE MEEKS BAY

Mr. and Mrs. Donald Robinson of Casa de Verano, Meeks Bay, have left for their Hemet address. The N. J. Lindenfeld family has gone from Meeks Bay to Los Angeles.

COMMITTEE CHIEFS ARE NAMED BY TAHOE-SIERRA C. C.

TAHOE CITY—Fred Main, first president of the Lake Tahoe-Sierra Chamber of Commerce, presided at the organization's meeting in Tahoe Community Center hall last Thursday night, a good representation from all around the lake being present. He welcomed those present and introduced other new officers.

The major business of the evening was appointment of various committee chairmen and workers under the by-laws. To date, the following have been appointed: George Canon, Stateline, chairman of executive committee; Denis Sach, Pineland, program; George Kehlet, Meeks Bay, advertising; Art Frodenberg, Tahoe City, auditor and finance chairman; Bill Bechdolt, Tahoe Inn, fish and game; Dave Gilmore, Kings Beach, by-laws; Charles Cross, Tahoe City, nominations; P. M. Burroughs, Tahoe Vista, highways; Carroll Raymond, Tahoe City, civic improvement.

Other chairmanships to be filled include membership, water problems, winter sports and summer sports. These appointments will be made within the next few weeks, the membership chairman to be selected first as an intensive membership drive is being concluded soon to raise funds for the chamber's operation and insure availability of the office in Tahoe City throughout the winter.

Among major points in the program are:

1. Efficient promotion of the area during the winter months in addition to support of a winter sports program.
2. Development of reliable dissemination of accurate information through radio, newspapers, auto clubs and the like of correct, first hand data on road and weather conditions in this area.
3. Continued effort to secure improvements in the condition of Lake Tahoe highways and equipment to care for them.

The following names of directors were drawn from a hat by disinterested persons for one, two and three year terms: One year: Marie Henry, Denis Sach, William Bechdolt, C. W. Vernon and Kjell Rustad, all Tahoe City area; two year terms: Norman Mayfield, Tahoe City; George Kehlet, Meeks Bay; A. J. Ketman, Camellian Bay; Don Snyder, Lake Forest and George Canon, Stateline;

three year terms: Jobe Lewis, Cal Vada; Alexander Cushing, Squaw Valley; Harriett Craven, Fallen Leaf; Dr. Jose Nessim, Kings Beach and Will Bliss, Glenbrook. The first Thursday of each month has been set as regular meeting night, at a place to be specified by the president at various locations around the lake.

Frost at Fontana—E. M. Frost has left Kings Beach for his winter place at Fontana, Calif.

Air Force Salutes Kids' Day

DETROIT, MICH.—General Hoyt S. Vandenberg, chief of staff for the United States Air Force, greets Walter J. L. Ray, president of Kiwanis International, as they discuss plans with Lt. Gen. Robert W. Harper, (center) commanding general of the Air Training Command, Scott Field Air Base, for Air Force participation in National Kids' Day on Saturday, September 27.

Kiwanis clubs located near Air Force bases throughout the United States are working with local base commanders so that thousands of children will be able to observe the inner workings of an important segment of our nation's defense. National Kids' Day, which is sponsored jointly by The National Kids' Day Foundation, Inc., North Hollywood, Calif., and Kiwanis International will have its fourth annual observance on September 27. In 1951, more than one million children were entertained or assisted by Kiwanians.

WOMEN'S CLUB PLAN FALL ACTIVITY AT RECENT MEETING

TAHOE CITY—Members of the Women's Club of Tahoe met on Thursday last for their final get-together of the summer season at Homewood Resort for luncheon. Mrs. Evelyn Rybensky of San Francisco was a guest.

A short business meeting followed the repast, Mrs. Blanche Donaldson, president, presiding. The next meeting will be held at Bacchi's Inn in Lake Forest on October 9, hostesses to be Mrs. A. A. Snyder and Mrs. Sara Hunter.

Plans were made for the club's regular fall community dinner party which will be held at Tahoe Inn October 20. The public is invited. Members have also decided to work all winter on articles to be sold at a bazaar next spring.

LOGGER IS FINED FOR FOREST VIOLATIONS BY JUDGE AT TAHOE

TAHOE CITY—Judge C. W. Vernon levied a few fines last week in his Tahoe City court.

Among them were stiff penalties on G. W. Crew of Truckee who was cited September 18 by Clarence Beavers, forest service officer at Tahoe Park, for operating a gas motor without a spark arrester in the woods, for not having an adequate tool cache and for not leveling snags. Vernon fined Crew \$100 for each offense, suspending half the fines providing no further violations were brought against Crew for the balance of the season. He was cutting timber in the Noonchester Mine area.

John Cobb of Oakland was cited Saturday by Game Warden K. Hooker in the Klondike Meadows region for allegedly not having punched the date on his deer tag and filling it out properly. Hooker told Vernon he had filled out Cobb deposited \$15 bail with all the date correctly but hadn't known he must punch in the date.

Encephalitis SACRAMENTO —(C. N. S.)—Encephalitis deaths in California since July 5 totaled 45 as of September 18, state department of health officials report.

Are you a SUNscriber?

SAN FRANCISCO BIDS FOR OLYMPIC GAMES DURING 1960

SAN FRANCISCO—San Francisco's bid for the 1960 Olympic Games "is definitely in," Mayor Elmer E. Robinson announced in welcoming California's Olympic winners in the rotunda of the city hall.

Avery Brundage, president of the International Olympic Committee and head of the U. S. Olympic Committee, said "there would be no better place to hold the Olympic Games."

"No state," he declared, "has contributed anywhere near as many athletes as California for

the Olympic Games." The 1956 games are presently scheduled to be held in Australia.

The barrel that can't be emptied

Many a man can remember reading by kerosene lamp. For however fast time speeds by, it hasn't been very long since lamps played an important part in lighting the homes of the West and Standard was a small company proud of its ability to get from 5 to 10 gallons of its principal product, "coal oil," from a barrel of petroleum.

Count a few of the hundreds of products made from oil today! Almost every item in this picture, for example, comes directly or indirectly from oil: (1) the enamel on stove, refrigerator and cabinets, (2) the dryer in the wall paint, (3) the plastic in the clock cover, curtains, apron, (4) the linoleum, (5) the drainboard covering at the sink, (6) the detergents used in washing—(7) the finish on the car and (8) the synthetic rubber of its tires. Add to these asphalt for paving and roofing, insecticides,

cosmetics, dry cleaning solvents . . . and, of course, steadily improving gasoline and motor oils . . . and you begin to see how important oil has become. More than 1100 products are now being made from petroleum by Standard Oil Company of California, and others are on the way. We have spent \$35,000,000 in research and technical service in the last 5 years alone . . . to make a barrel of oil truly "a barrel that can't be emptied" in terms of the good things it contributes to your daily living.

STANDARD OIL COMPANY OF CALIFORNIA plans ahead to serve you better

In answer to the often asked question: "How can a little fellow put on a big money saving sale?" a northern Illinois grocer recently listed the following reasons in his ad announcing his big joint Dollar Day and Anniversary Food sale:

1. No charge accounts.
2. No free deliveries.
3. No high salaried president.
4. No golfing superintendents.
5. No new-car-a-year supervisors.
6. No expensive warehouses.
7. No "I'll take a carload" buyers.
8. No fleet of painted trucks.
9. No red tape strings to cut.

YOU ARE HEREBY DIRECT-
ED TO APPEAR and answer the
complaint in an action entitled as
above brought against you in the
Superior Court of the State of
California, in and for the County
of Nevada, within ten (10) days
after the service on you of this
summons, if served within this
county, or within thirty (30) days
if served elsewhere.

YOU ARE HEREBY NOTI-
FIED that unless you appear and
answer as above required, said
plaintiffs will take judgment for
any money or damage demanded
in the complaint as arising upon
contract or they will apply to the
Court for any other relief demand-
ed in the complaint.

This action is brought and the
object thereof is to quiet title of
plaintiffs to determine any and
all adverse claims to and clouds
upon the title of plaintiffs to the
real property described in the
complaint and to make the above
named defendants set forth the
nature of their claim or claims
to the property hereinafter de-
scribed, in any they have, and that
such claim or claims be adjudged
to be of no effect and void, and
that title of plaintiffs to the same
be quieted against them, and each
of them, or as to any unknown.

SUPPLEMENTAL PROCEED- INGS OF THE BOARD OF SU- PERVISORS FOR SEPTEMBER, 1952

September 17, 1952
The meeting of the Board con-
vened at 10:00 o'clock A.M. with
Chairman Henry G. Loehr pre-
siding, and all members present.
The minutes of the meeting of
September 5 were read and adopted
without change.

The Board received a bid from
Bank of America N.T.&S.A. for
purchase of the \$175,000.00 Tax
Anticipation Note at 2 1/4% inter-
est and no premium. There being
no other bids, the bid of Bank of
America was accepted and the
Board adopted a resolution of ac-
ceptance.

A map of Haney Heights Sub-
division was approved for filing
and the Chairman and Clerk was
directed to sign the same on be-
half of the Board.

The Grass Valley P.T.A. was
granted permission to hold a skat-
ing exhibition in the Veterans Mem-
orial Building in Grass Valley
after assurance was given the
Board that no harm would be
done to the dance floor.

A request by Don Burns and
James Kelly for the Board to have
a map of Nevada County made
showing vacation spots and points
of interest was presented. It was
stated that the first printing
would approximate 8 cents per
map in lots of 15,000. After de-
liberation, it was decided to con-
tinue the request for further study
until October 1.

A deed was accepted from Sam-
uel G. Partridge to rights of way
in Lot 11 of Block H and Lot 9 of
Block G of Grandview Terrace
subdivision.

Architect George C. Sellon of
Sacramento presented the final
plans for a Veterans Memorial
Building in Nevada City. The
plans were unanimously approved,
and the Board ordered that adver-
tisement be immediately started
for bids for the job, and ordered
that the ad be run in THE UNION
and set October 16, 1952, at 11:00
o'clock A. M. for opening bids.

The Board adopted a resolution
incorporating the road from High-
way 40 across the Truckee River
to the town of Floriston into the
County road system.

The Board authorized District
Attorney Vernon Stoll to accept
a compromise settlement of
\$3000.00 for damage to the Green-
horn Bridge.

Adjourned sine die at 3:20 P.M.
R. E. Deeble
County Clerk and Ex-Officio
Clerk of the Board of Supervisors.

NOTICE TO BIDDERS

NOTICE is hereby given that
sealed bids will be received by the
Governing Board of the Tahoe-
Truckee Unified School District,
Placer and Nevada Counties, Cali-
fornia, at the Office of the Super-
intendent at Truckee, California,
on or before, and no later than,
Monday, September 29, 1952 at 5
o'clock P.M. at which time and
place bids will be opened for the
purchase of one (1) F.W.D. 1942
truck, or equal, in accordance
with specifications on file at the
office of the Superintendent of
Schools.

By order of the Governing Board:
TAHOE-TRUCKEE UNIFIED
SCHOOL DISTRICT
Vernon C. Shattuck, Clerk (225)

CLEAR SUMMIT LAKE TO PAVE WAY FOR TROUT PLANT

J. C. Fraser, district biologist
for the department of fish and
game, of Placerville, in a compre-
hensive report on rehabilitation
of mountain lakes as sport fish-
ing water, says that Summit
Lake near Donner Summit should
be providing some good trout
angling "by 1954 or 1955" as the
result of work done this summer.

Summit Lake was treated on
August 6 for the purpose of eradicating heavy populations of
chubs and minnows which, be-
cause of their great abundance,
had eliminated the trout popula-
tion. Trout, Fraser said, are un-
able to compete with large popu-
lations of minnows in small lakes.
Large trout are able to feed on
the minnows but small trout
needed to continue the trout popu-
lations are unable to compete with
the minnows for food.

"The result is," the biologist ex-
plained, "that when the larger
trout ultimately die of old age or
are caught by anglers it means
the end of the trout population.
This is why we are appealing to
all anglers not to transport min-
nows from one lake to another."
The Summit Lake treatment, he

Accept Rights of Way On Floriston Road

The Nevada County board of
supervisors last week voted to
accept rights of way from the
Southern Pacific Company and
the Sierra Pacific Power Com-
pany for part of the road connect-
ing the town of Floriston with
Highway 40.

The action was necessary, Dis-
trict Attorney Vernon Stoll ex-
plained before the state would
grant financial aid in building the
bridge planned across the Truckee
River between the highway and
the community.

The part that the county ac-
cepted and agreed to maintain
will run from Highway 40 across
the bridge as far as the first
underpass below the SP tracks.

Advertising does not cost—it
pays!

said, was accomplished by six
members of the Truckee Outdoor
Sportsmen under the supervision
of James B. Richards, fisheries
biologist from the Placerville of-
fice.

This lake will be replanted
with eastern brook trout in 1953
and should produce good trout
angling by 1954 or 1955.

DEMOS HOLD LEAD, CUT TO 852 BY G.O.P. FOR NOV. 4

NEVADA CITY—Registration
in Nevada County for the Novem-
ber 4 general election is 11,849.
This is 2,729 more than the 9,120
registered for the 1948 general
election, according to County
Clerk R. E. Deeble.

The Democratic party held its
dominant position in the county,
increasing from 4941 to 6202 in
the four year period. The Republi-
cans narrowed the gap by gain-
ing from 3869 to 5350, giving the
party of the national administra-
tion a plurality of 852. Regis-
trants declining to state any par-
tisan affiliation increased from
238 to 262.

The Independent Progressive
party fell from 58 in 1948 to 20
this year. The county's lone Com-
munist of 1948 did not sign for
the coming election. Townsend
party registration dropped from
four to one and Socialists from
six to three. The Prohibition
party registration declined from
five to four.

More Patrolmen

SACRAMENTO —(C. N. S.)—
The California highway patrol
announced 48 more men were
graduated from the patrol aca-
demy last Friday and will be
added to the patrol units through-
out the state.

LUMBER FIRM TELLS REFOREST PLANS OVER 48,000 ACRES

SAN FRANCISCO—An exten-
sive reforestation program and
expansion of fire protection has
been announced by Hammond
Lumber Co. Under the plan fire
protection will be extended to
approximately 48,000 acres of
cut-over land in the Little River
and Maple Creek basins, and re-
forestation of about 3,000 burned-
over acres in the Big Lagoon
area.

The program, expected to cost
nearly a quarter of a million dol-
lars, will require five years for its
completion. It includes construc-
tion of 178 miles of roads and
trails, 12 1/2 miles of snag-free
fire breaks along key ridges, de-
velopment of water supplies and
three lookout points, it was re-

Stockton Firm's Bid Is Accepted

SACRAMENTO — (C. N. S.)— A contract for \$66,548.20 was

awarded to Elmer J. Warner of Stockton for grading and surfacing 3.3 miles of Route 765 in Nevada County, nine miles north of Nevada City between Route 49

and 3.3 miles east.

During his term as president, Andrew Jackson vetoed a total of 13 bills.

Deer Hunters ATTENTION

—We Want to Cooperate with You and Ask That You Cooperate with Us—

HUNT ON OPEN AREA

Most of our lands will be open to hunters throughout the seasons—on this land we invite you to enjoy all the privileges the law and common sense permit. We do ask, however, that you be extremely careful with fire as valuable timber stands are in the non-posted area.

Observe Trespass Law

SOME AREAS WE ARE POSTING FOR THE PROTECTION OF MEN WORKING IN THE DISTRICT AND BECAUSE OF EXTREME FIRE HAZARDS. THIS APPLIES PARTICULARLY TO THE INDEPENDENCE LAKE DISTRICT. WE ASK THAT YOU OBSERVE THE TRESPASS LAWS IN THESE ISOLATED AREAS FOR YOUR SAFETY AS WELL AS OURS.

WE CANNOT OVEREMPHASIZE THE IMPORTANCE OF CARE IN HANDLING FIRES AND FIREARMS

FOREST FIRES CAN BE PREVENTED IF YOU WILL FOLLOW—FAITHFULLY—THESE FOUR SIMPLE RULES

1. Hold your match 'til it's cold — then pinch it to make sure.
2. Crush out your cigarette, cigar, pipe ashes.
3. Drown your campfire, then stir and drown again.
4. Ask about the law before burning grass, brush, fence rows, or trash.

WE WANT TO PRESERVE THE FORESTS AND HUNTING AND ASK YOUR COOPERATION

Little Caterpillar Big Threat To Cattle, Deer Range Feed

by DOUG BARRETT

A threat more serious than fire to their range and more deadly than hunters to themselves was emphasized this week in regard to the deer herd in this region.

Edwin C. Clark of the University of California at Berkeley has been here for some time working with District Forest Ranger E. E. Boehm of Truckee in an effort to find means of eradicating the lowly Great Basin tent caterpillar, which threatens to destroy extensive stands of deer and stock feed on nearby range lands. It seems the tiny worm prefers the bitter brush and certain species of buckthorn, which form the staple of feed for cattle, sheep and deer on the Tahoe Forest ranges.

DEER HUNTING OUT ON STATE PARKS; GAME PROTECTED

State Rangers are enforcing no-hunting regulations in state parks since the Sierra, northwestern and San Diego County deer hunting season opened last Saturday, the state department of fish and game and division of beaches and parks jointly announced.

All state parks are fully protected by state park laws and are closed to hunters, despite the opening by the fish and game agency of Refuge 4-G surrounding Mt. San Jacinto State Park. Hunting is permitted in this refuge this year—but only outside the state park boundaries.

Sportsmen organizations can perform a valuable service by helping their hunting members locate — and stay out of — state parks, the agencies' directors suggested.

"Sportsmen's groups will provide a service to the hunters to help them avoid violating laws protecting state parks, which comprise less than one-half of one percent of California, and which are preserved primarily for outdoor recreation where all wildlife is protected," said fish and game Director Seth Gordon and beaches and parks Chief Newton Drury.

Donner Ski Ranch Files Incorporation Papers

SACRAMENTO — (C. N. S.)— Donner Ski Ranch has filed articles of incorporation, the secretary of state reveals. The concern will operate a lodge, restaurant and bar. Directors of the \$500,000 corporation are Wm. H. Nicholas, G. B. Hundley and Pauline Novotney, all of 900 Wilshire Blvd., Los Angeles.

Literally millions of these little brownish caterpillars will move onto a range and absolutely kill thousands of acres of valuable range land in a comparatively short time. Boehm estimates it takes about half a century for a bitter brush range to be re-established after these creatures have gotten to it. There is a high infestation in this area and their presence can be detected by masses of webby, dried up "tents," spun on bush stems and retaining numbers of insects.

Clark said that in 1914, during a plague of the pest in Shasta County, railroads hired crews to keep the caterpillars swept off the tracks when they became so thick as to halt operations.

Clark said the problem of their control is difficult, since very little is known about the insect and its life cycle is such that very little time can be devoted each year to study of its habits. He believes the only way to effectively control the tent caterpillar is with microscopic bacteria and fungi which will affect the pest only. In this way, natural forces which control other forest an drange pests will not be disturbed. He went on to say he feels sufficient knowledge has been attained here to proceed with experiments on a larger scale next year, with some hope of eventual control.

He emphasized that controls would be "highly selective" and would hit at the tent caterpillar alone. The method, he explained, has been successfully used to control the alfalfa caterpillar in the valley area.

Milburn Mills, who operates an extensive sheep camp in Russell Valley, has reported to the forest service that the 1952 season was one of the worst for infestation he has ever seen.

Clark explained that the adult moth flies during July and August, laying eggs in masses on plant stems and spinning the tent web which protects the eggs through the winter. Warming spring weather hatches the eggs by mid-May and caterpillar emerges, immediately beginning its destructive feeding period. By the end of June or early July, the worm enters the cocoon stage and emerges as a moth to begin the life cycle all over again. Thus the pest goes through a complete generation in one year.

Areas infested by the worm are recognizable as being great "dry, black and dead" patches of vegetation on the range and, if left unchecked, entire ranges may be ruined for years, both Boehm and Clark indicated.

Nat'l Sanitation Picture Viewed With Alarm

BERKELEY— Despite technological advances some sanitary conditions in the United States are worse than they were 50 to 100 years ago, a University of California scientist said in Chicago.

Speaking before a recent meeting of the American Society of Civil Engineers and the American Public Health Association, Dr. Harold B. Gotaas, professor of sanitary engineering on the Berkeley campus, reported that there are still some 6,000 American communities without a public water supply.

"Over 9,000 are without sewer-

age systems," he added.

And there is scarcely a city in the United States today in which atmospheric pollution conditions are not worse than they were a century ago.

Dr. Gotaas explained that increased sanitation problems are the result of urban and suburban growth, industrialization, congestion of cities, increased travel and changing living conditions.

From where I sit... by Joe Marsh

No Longer Two Sides to This Question!

Ever seen those two-family houses they have in some places — with separate front doors and porches — side by side? My sister owns half of one and lives in it, near Philadelphia.

Nice little frame home. Only Sis painted her half brown and the other family always painted theirs green. Ruined the effect—but for years neither family ever thought of suggesting that they both decide on a common shade.

Now Sis writes that their twotoned home is no longer. "I mentioned we were going to repaint,"

she says. "And they said let's get a color we all like. So we did. A nice shade of gray for both sides."

From where I sit, so often when there's a difference of opinion it's best to sit right down and work things out (like when our volunteer firemen decided to serve both lemonade and beer at their annual picnic last month). Don't let prejudices "color" your opinion of your neighbor. He'll probably be quite as open-minded as you are.

Joe Marsh

ROADMASTER
CUSTOM BUILT BY BUICK

BENEATH that big broad bonnet is the reason for this headline.

It's a four-barreled automatic carburetor—Airpower by name—which has a way of gulping in what the dictionary defines as "a sudden blast of wind" when extra power is needed.

And the way this gorgeous performer can step out as this occurs is something you'll always remember.

For ordinary driving, two barrels are all you need — and two barrels are all that are working. They give you an extra thrifty flow of fuel for round-town cruising.

When extra power is wanted in a hurry — the "reserves" swing into action — feeding extra fuel and extra air in an ever-thrifty mixture, which delivers the greatest horsepower in Buick history.

This is one of many distinctions that endear ROADMASTERS to fine-car owners.

It's a car as rich in finish as it is in power — a car of expansive room — restful silence — level in gait — beautifully responsive to your mood and will.

And it offers the effortless ease of Power Steering* especially engineered by Buick to save your strength in

parking and slow-motion maneuvers, and still let you feel a proud sense of command and a sure sense of control on the highway.

There's just one question we'd like to ask: When are you going to come in and enjoy the ride of your life?

Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on ROADMASTER and SUPER only.

PICTORIAL MAP OF NEVADA COUNTY STUDIED BY BOARD

NEVADA CITY—Every day people ask the chambers of commerce of Nevada County for a good map of the county so that they may locate places to fish, hunt, picnic or establish homes. Yet the county does not have a map especially designed to meet

their needs. This was the argument advanced to the board of supervisors by representatives of the Nevada City and Grass Valley chambers who asked that the county print a suitable map, in colors, and finance it from the \$2,500 advertising and promotion fund. Placer Map Shown Don Burns and James R. Kelly, public relations directors for the Grass Valley and Nevada City chambers, respectively, made the suggestion. They introduced Mrs. Gladys Rohl of Auburn, manager of the Placer County Chamber of Commerce, who showed the supervisors a four-color tourist map of Placer County designed a few years ago by George Mathis, Nevada City artist.

She said that by the end of the year, 80,000 copies will have been distributed to all parts of the nation, calling attention to Placer County's attractions. She added

that the Placer County chamber would be glad to make its mailing list available to Nevada County for distribution of a Nevada County map.

"Anything we can do to attract people up into this mountain area helps all of us," she said. "We must work together because we are getting great competition from the south, where large amounts of money are available for advertising and promotion."

Burns and Kelly showed a mock-up map of Nevada County which they said could be developed into an attractive folder-map by Mathis or some other artist. They said it could have printed matter on the other side to call attention to the county's history and attractions, and they volunteered to help work out the text if desired.

Kelly said the northwestern section of the county was particularly in need of something to publicize it and he felt the North San Juan area should be well represented on the map. He said the Truckee Chamber of Commerce members who had been consulted were generally in favor of the map idea.

Supervisor Chairman Henry G. Loehr asked if the Nevada County booklet, reprinted during the past year, had not proved useful.

Booklets Nearly Gone Both Burns and Kelly said it had, indeed, and that both of their chambers were running out of copies. They wished the board would order another printing.

The two men said they believed a Nevada County map in color could be obtained at a cost of

No Steel Hoops Bind Free Men Together

THE UNITED STATES of America is the only nation in the world of its kind. Nearly all other nations are held together by hoops of steel.

But the love of God and neighbor is the spiritual cement that makes America great and strong.

DEMOCRACY, alone and in practice, has not given America its essential unity nor has it granted and guaranteed equal rights to all of our people. Religious bigotry and racial discrimination have plagued our nation before and since colonial days.

And why has bigotry enjoyed so long a holiday in the United States?

The reason is that while all Americans know their rights as citizens, only a pitiful minority know their duties. While many write eloquently on the rights of American citizens, all too few remember that rights beget duties. They are correlative terms.

EACH AMERICAN CITIZEN is secure in his rights only when all other Americans in duty recognize and respect such rights.

Common to all Christians and Jews and any creature created by God is the great Commandment of Love. This is the law of Mount Sinai and this is the theme of the Sermon on the Mount.

If we admit some and exclude others from our affec-

tions because they differ from us in race, religion, color, political beliefs, then we are counterfeit religionists and traitorous Americans.

Bigotry, prejudice, racism, hatred can be the cancer to destroy the unity and freedoms of America—love, good will, respect for human dignity, cordial relations can be the powerful stimuli to maintain our glorious traditions of a free, happy, prosperous, united people.

LET US NEVER forget this great truth—no human being is wholly bad. We must develop the precious art of making allowances for others as we expect others to make allowances for us.

If you expect others to recognize and respect your religious beliefs, then it is only common sense to accord that same recognition to all others. Live and let live! (by Most Rev. Mark K. Carroll.)

20 Mountain Lions Bagged in July

about 8 cents each for a printing of 15,000, and that the cost in subsequent printings would be less.

Supervisor Frank J. Rowe called attention to Proposition 10 on the ballot this November. If that is passed by popular vote, he said, the supervisors won't be able to subsidize a chamber of commerce. Both Kelly and Burns said their map plan did not involve a subsidy since the supervisors were being asked to issue the map themselves. The chambers did not ask to have their names attached. Loehr said the matter would be taken up and decided upon at the October 1 meeting, after the supervisors will have had a chance

SAN FRANCISCO—Twenty mountain lions were bagged by state trappers and hunters during July, including a family of eight taken in Monterey County by trapper Clarence Hague who also erased four coyotes, five bobcats, nine foxes and five skunks during the month.

Five lions were taken in Mono, four in Colusa and three in Kern counties, to bring the July total well above the average in predator control work.

SWANEE'S Tahoe Letter

Tahoe City, Sept. 23

Dear Tahoeites:
Hunting continues to be the big thrill of this area for the moment, with this season going much as other ones. Some of the best hunters and the oldtimers who ought to know where the big one are, are having a bit of trouble finding luck. General reports appear to make it clear that there are bucks in this area but they are elusive. If the good weather continues there should be a lot more to report in the next few weeks.

Among the first men in with bucks on opening weekend were Edgar Ellis of Madera who shot a four pointer weighing in at around 200 pounds, E. J. Oakdale who brought back a four pointer around 150 pounds, Mr. Trebley of Tahoma whose forked horn weighed in at 165 pounds and Noel Hulbert Sr. of Kings Beach, first man in with a bear, his weighing between 450 and 500 pounds it was reported. Butch Beavers reported that many of the nicest bucks were shot in the vicinity of Brockway Hill on the north end of the lake.

The Sam Gosses of Lake Forest are the new caretakers at Tahoe Tavern. They like their new job. Dr. and Mrs. Cabot Brown of San Francisco have enjoyed a vacation at their Tahoe Park home and returned to the bay area.

Their houseguests were the G. Tevises of the bay area. Mrs. Al Sanford and son Ronnie have returned from a visit to Walla Walla, Washington, where they were members of a jolly family reunion. Others visiting at the home of Mrs. Sanford's mother, 78 year old Mrs. Elizabeth Brehm included two sisters, Pauline Fowler and Marie Reynolds of San Francisco, and Mr. and Mrs. A. D. White of Denver, Mrs. White being another sister. While in the north members of the party enjoyed a bit of fishing, Mrs. Sanford bringing back (canned) a delicious 40 pound salmon. Her brother taking a 27 pounder. They remained to visit for ten days.

Mr. and Mrs. Ernie Hoxie of Santa Barbara, former Tahoe Tavern Heights residents, last spring became the parents of a 9 pound baby girl. They have a little son nearing five and are well known here where Hoxie was employed by Norman Mayfield.

Mr. and Mrs. A. M. Anderson of Tahoe City will take off, as is their annual custom, for a month's vacation in Montana around the first of October. They plan to visit with Red's mother, 88 year old Mrs. Martin Anderson of Missoula, Mont., and five of his sisters to say nothing of the numerous friends Red still enjoys in his boyhood town. Kathleen Starratt, their daughter, and a friend, Ann Bridgeman of San Francisco, will be returning to Tahoe the end of this month to assist in the operation of the store so the folks can get away for a well earned rest.

DANGER TO PRESS FREEDOM CITED BY GOV. WARREN

SACRAMENTO — (C. N. S.)—A proclamation declaring October 1 to 8 as "Newspaper Week" in California was issued this week by Governor Earl Warren.

The proclamation follows:
"Never in our national existence has there been greater evidence than is before us today of the vital role of a free press in safeguarding liberty. In the relentless march of aggressors as they seek to dominate the world, we have seen in case after case the destruction of free government invariably preceded by the gagging of the press."

"In the United States, the freedom of our press, along with the other basic freedoms we enjoy as Americans, is guaranteed by our Constitution. Under that guarantee the American press has always been a strong and vigilant force in the fight against despotism, intolerance and corruption. Freedom of the press cannot be taken for granted, however, inviolable as it may have seemed through our history. It must be constantly nurtured and protected, lest it be gradually undermined by forces which seek our national destruction."

"Through the annual observance of National Newspaper Week, the publishers of our nation give leadership in bringing about greater realization of the concern which every American should have in maintaining press freedom. This year the slogan of the week is 'Your Right to Know—A Constitutional Guarantee.'"

"In furtherance of this national program, I, Earl Warren, Governor of California, do hereby proclaim October 1 to 8, 1952, as Newspaper Week in California. I urge that during this period, all of the people of our state become more familiar with the newspaper services and facilities of their own communities to the end that they may better understand the importance of the press in maintaining our way of life."

Leave Tahoe City
The Max Bretzfelders, who spent the summer at Tahoe City, have left for Hollywood. Mrs. J. K. Tackett left Tahoe City last week to return to their Auburn home.

Tunnel in S. F.
San Francisco's Stockton Street tunnel bores 911 feet through Nob Hill to connect the downtown district with Chinatown.

Kay has been running her dude ranch, Elbo Ranch, at Jackson Hole, Wyoming, all summer.

Mrs. Patti Scott is enjoying an extended vacation in Los Angeles with her mom, Mrs. Molly Ross. Scott plans to join her this week for a few days recreation.

Leave you for the week, with the hope that this marvelous weather we are enjoying will continue indefinitely. Already the trees are turning yellow and from now on until snowfall it will be heavenly here. Happy days and good luck to one and all, as ever, Swanee.

MAN JAILED IN LIEU OF BIG BOND IN CHECK, CAR CASE

TAHOE CITY—Owen Jensen, 24, known here as Lee Dunne of Salt Lake City, is in the Placer County jail in lieu of \$2,000 bail. Constable Harry Johanson of Tahoe City arrested the man on September 15 and jailed him while awaiting removal to Auburn.

Jensen was arraigned in Judge C. W. Vernon's Tahoe City court on September 16 on a felony charge, the specific charge being the cashing of a worthless check at the Town and Country resort on the lakeshore in the Sunnyside district. Mrs. Al Sanford declared the man offered the check in payment of a deposit for several days lodging and received \$20 in change.

He never occupied the quarters, he said, and went from there to Mayhew's Ward Creek Cabins where he paid for his cabin but changed groceries for which he offered a check. Mrs. Mayhew would not cash the check and most of the groceries were later recovered. There he was traced to a spot up Ward Creek by a Mr. McBride who lives in the Tahoe Tavern Heights Tract. He recognized the car and man as the one being sought by the Sanfords and asked Jensen how his fishing luck was.

The answer was negative and so McBride offered to show him a map on which a lake was shown nearby where fishing was supposedly good. He took him to the house of Clarence Beavers, forest service officer, told the officer who the man was. Beavers called Johanson who took Jensen to the town's jail. The officer wired Salt Lake City and learned that Dunne was alive and well but had reported his car stolen. Many of his personal papers were in the car and allegedly Jensen was posing as the owner of the vehicle.

Some of the papers found by the officer was the apparent undoing of young Jensen and records gave Dunne's marriage date as 1937 and he was the father of three children.

Johanson asked Jensen if he was married when he was nine years old but the suspect shrugged it off. Not until next morning when Johanson took his prisoner to a local coffee shop for breakfast did the suspect react.

Asking to go to the men's rest room, Jensen was allowed to go alone and failed to come back. The constable soon found him lurking in the bushes along the lakeshore near the Swedish Farmhouse and drew his gun, threatening to shoot if Jensen did surrender. It was then that he prisoner allegedly said he was "hot" and did not wish to be placed in jail. Two gold watches were also recovered which did not belong to Jensen, according to what he told officers, one of which he had sold.

Fires Cause Great Damage In State Forests, Ranges

SACRAMENTO — (C. N. S.)—Fires consumed 39,033 acres of California, timber, brush and grass during the first eight months of this year, officials of the state department of natural resources reported Monday.

The fires, which numbered 1196 during the period, caused damage estimated at \$389,557 for timber and range land, and \$1,615,927 for buildings and structures, they said.

For the eight-month period, the number of acres burned was 42,707 less than last year by 11,769 more than in the all-time low year of 1948, according to the report.

Bankruptcy Case Will Be Decided

Bernard J. Abbott, referee in bankruptcy, has issued a notice that October 20 is the last day for filing objections to the discharge of the bankruptcy proceedings filed by Marion Spencer Strickland, former Donner Summit resident and businessman. The action is being taken in Oakland.

Title Insurance Man Tahoe Rotary Speaker

TAHOE CITY—Dave Gayner of the Placer County Title Insurance Company of Auburn spoke before the Tahoe City Rotary Club on Tuesday. He traced the history of real estate transactions back to Biblical days and up to modern times, indicating in conclusion that "land is the basis of wealth and without land there is no wealth."

Denis Sach presided and A. J. Ketman was program chairman.

Family Party—

Judge Posten Wilson observed his birthday September 18 at a family party which included his parents, Mr. and Mrs. Frank Wilson of Nevada City.

Convention at Colfax—

Members of Pythian Sisters Temple 79 are urged to attend a regular meeting tonight to hold final practice for the district convention of the lodge which will be held in Colfax tomorrow evening.

Downville Visitors—

Mrs. Stanley Zwart and Mrs. C. Harrison were business visitors at Downville on Friday.

For Reassignment—

Jay Rablin, son of Mr. and Mrs. J. M. Rablin, returned to Treasure Island last week for reassignment by the Navy.

Observes Birthdate—

Daven Morey observed a birthday September 16.

Hendersons Here—

Mr. and Mrs. R. T. Henderson of Niles were in Truckee Monday, during a vacation spent in Canada, Washington and Oregon, continuing to visit friends in the Sacramento valley.

WANTED— Night clerk at River-side Hotel, Truckee.

CARD OF THANKS

We wish to thank our many friends for the reception given us at opening of Tony's California Coffee Shop. The flowers were beautiful and greatly appreciated and your many expressions for our success will be long remembered.

Essie and Tony Polyanich

In San Francisco—

Joe Mattos was a business visitor in San Francisco Monday, going down with William Wilkie, who with Mrs. Wilkie had been visiting her parents, Mr. and Mrs. Jack Wolert. Mrs. Wilkie is remaining here for the time being.

Attending College—

Mr. and Mrs. Michael O'Rourke have left for Auburn where the former is enrolled in the Placer College.

Official Visitors—

Judge James Snell, Probation Officer Floyd Pond, Deputy Probation Officer Janet Hinkley and Councilman James Kelly of Nevada City were official visitors in Truckee yesterday.

Birthday Saturday—

Mrs. William Curran observed her birthday September 20.

Observe Birthdates—

Walter Barrett observed his birthday September 20 with his brother, Frank Barrett of Boise, Idaho, whose birthday occurred September 19.

Vacation Time—

Mrs. A. E. Burlingham has returned from a vacation spent in Sacramento with Mr. and Mrs. David Campbell. Trips were taken to Forest Hill and nearby places of interest.

Dr. George Hahn Speaks At Rotary Club Meeting

The U. S. Military in Japan was the topic of a talk given before the Truckee Rotary Club Monday night at Brown's Cafe by Dr. George Hahn, who recently returned from that theater of operation and is now practicing in Truckee.

Pictures and a map study illustrated the discussion of the present war in Korea. Hahn said Japan is currently contributing greatly to the United Nations fight against communism.

Guests included Walter Moore of Weymouth, Mass.; Robert Smelt, Chicago; Don Barkhurst, Brockway; L. E. Porath, Brockway; Steve Korich, Tahoe City; James Craigmitte, Fresno; Joe Reid, Everett; O'Rourke, Walter Smith, George Bergen and Reginald Smart of Truckee.

Hunting Party—

A party composed of Daven Morey, Orval Vaughan, Lester Braasch and Arnold Miedema of Truckee and Marvin Eastland of Kingsburg returned Monday from a deer hunting trip in the Portola region.

FOOTBALL TEAM READY FOR GO WITH LOYALTON

The Tahoe-Truckee High School Wolverines are now in their third week of practice and working hard to be ready for their first game of the season with Loyalton the evening of October 10. This game will be played at the Loyalton High School with the starting time set for 7:30.

The Wolverines now have two additional games scheduled for this season. On October 21, they travel to Lincoln High for an afternoon game starting at 3 p.m. On Saturday, October 25, they will be host to the Pine Grove School of Volcano. This game will be played on the Tahoe City golf course where a regulation field is being prepared. This game will begin at 2:30 p.m. and will probably be the only home appearance of the team this season.

At present the starting team shapes up as follows:

Bob Tonini, RE; Charles Cozzi, RT; Charles Smith, RG; Bill Walker, C; Ronnie Sanford, LG; Tom Grow, LT; Joe Copeland, LE; Hugh Van Hooser, QB; Dallas Marquis, RH; Jay Stuart, LH; Lewis Fellows, FB.

Other squad members pushing the starting 11 for positions include Dick Mandeville, guard; Harry Reuck, center; Clyde Mandeville and Ron Pelley, ends; Gary Brumbaugh, tackle; Jerry Quam, back.

Coach Brehler is being assisted by two other members of the high school faculty, Gordon Butterfield and Bob Briggs.

VIOLATORS PAY FINES ON FIRST DAYS OF SEASON

Violations on the opening days of deer hunting season were frequent, according to officers of the department of fish and game.

Violations disposed of up until noon Monday included:

A. C. McKern, Reno, Nev., false statement to secure license, appeared before Judge Harry Harrison, Kings Beach, fined \$200 on Saturday.

Joseph L. Tombs, Truckee, for taking spike buck, fined \$300, forfeited deer, license, tags, gun, before Judge F. W. Wilson, Truckee.

Rudolph Jauregui, Redwood City, for having loaded gun in car and hunting deer after having bagged legal limit, fined \$400 (alternate 180 days), lost deer, gun, tags and license. Judge Wilson's court.

Lester W. Brierley, San Jose, \$25 for failure to immediately and properly fill out tag after killing deer. Judge Wilson also confiscated buck.

Don Bernal, Tracy, failed to properly fill out deer tag; fined \$50 and lost deer before Judge Alden Johnson, Sierraville.

Following, all in Judge Wilson's court, all on charge of carrying illegally loaded gun in vehicle, fined \$10 each:

Mike Graziano, Oakland; Daniel Womack Jr., Sacramento; Joe Padilla, Mountain View; S. W. Herrin, El Monte (\$20 for two guns); Joe Bozzone, Oakland; John Best, Pixley.

SALE OF TAHOE WATER WORKS IS GIVEN APPROVAL

SAN FRANCISCO—The California public utilities commission yesterday approved the sale of the Tahoe Park Water System by Georgia L. Lambert to Stanley Z. and Lauretta A. Bolton for \$15,000.

The decision noted that Mrs. Lambert, through the water company, is serving approximately 100 consumers in or near Tahoe City with water for domestic and other purposes. In her 1951 annual report, she reported the net investment in the plant at approximately \$14,000 and her revenues for the year at \$3,138 with a net profit of \$1,078. The application shows that Mrs. Lambert desires to "retire from the utility opera-

tions and remove from Tahoe City."

Two of the stipulations in the opinion are that the sale must be consummated not later than February 28 next and that no increase in present rates to consumers shall be made unless authorized by the commission.

Jobless Fraud Charged To Lake Tahoe Woman

PLACERVILLE—Mrs. Helen Frahm of Lake Tahoe was found guilty of drawing unemployment insurance while working at a trial held in the Placerville court of Judge J. B. Johnson on September 17. One hundred days in jail or a fine of \$200 was imposed, also immediate restitution is to be made to the state.
